In re Application of	:
Nehmadi, et al.	:
Application No. 10/817,104	: DECISION GRANTING
Filed: April 1, 2004	: PETITION
Attorney Docket No. 40006317-0077-002	:

This is a decision on the petition to revive pursuant to 37 CFR 1.137(b), filed June 19, 2006.

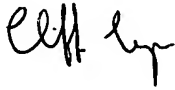

The petition is GRANTED.

The application was filed on April 1, 2004. However, on June 21, 2004, the Office mailed a Notice to File Missing Parts of Nonprovisional Application, stating that the application had been accorded a filing date. However, the oath or declaration was unsigned, and lacked the identifying information for each inventor. This Notice set a shortened period for reply of two (2) months. No reply having been received, the above-identified application became abandoned on August 22, 2004. A Notice of Abandonment was mailed on March 15, 2005.

With the instant petition, petitioner paid the petition fee, submitted a declaration as required by the Notice, as well as the surcharge for its late filing, and made the proper statement of unintentional delay.

The matter is being forwarded to the Office of Initial Patent Examination for pre-examination processing.

Telephone inquiries specific to this decision may be directed to the undersigned at (571)272-3207.
